

Just a friendly reminder, save the date! On **Thursday, June 8th, 2023**, CPO will host a Spring Summit at COhatch Polaris in Columbus, Ohio. This summit brings the three regions and others together for a day of learning and sharing. Your participation makes this organization a valuable resource of shared expertise, education, and experiences.

We are still accepting speaker proposals for the June event: You may be interested in speaking or you may know a good candidate. We are looking for speakers to fill the four General Sessions. Speaking at the summit is voluntary, so we typically cannot cover expenses. If selected to present, CPO will provide you with an opportunity to network with CPO members and guests. Lunch is included.

If you (or someone you know), would like to speak, please complete the [Speaker Proposal Form](#) to submit the required information to vicepresident@cpohio.org. Please forward the message as needed to others who may have an interest in speaking.

We would like to have all speaker proposals received by this **Friday, March 17th, 2023**.
